How your plan works

Emory University Student Health and Counseling Services will act as your Primary Care Provider (PCP) — referrals may be needed

Your health care needs are best managed under one health system. Because Aetna wants you to get the best care possible, Aetna will pay your covered benefits when you get a referral for your care.

PLEASE NOTE: Your Plan may not require a referral for additional treatments - please refer to your Plan Design and Benefits Summary for additional information.

Your Aetna Student Health Plan allows you to choose where to receive care - from a network provider1, or a provider outside the network.

Option 1: Visit Emory University Student Health and Counseling Services or a network provider1

Network providers contract with Aetna to offer you rates that are often much lower than their regular fees. This helps you save. Your network provider will provide care and:

• Get approval from Aetna before giving you certain services;
• File claims for you.

To find a provider in the network, use Aetna’s online directory, DocFind® at www.aetnastudenthealth.com/emory. You can also request a printed directory. Just call member services at 877-261-8403 and we’ll send you a printed directory.

You’ll pay less with this network option.

Option 2: Go to a provider outside the network1

You can visit any licensed provider. Your out-of-network provider will provide care; however, you may be responsible to:

• Get approval from Aetna before receiving certain services;
• File your own claims;
• Pay the difference between the amount paid by your Plan and the amount charged by your provider.

This out-of-network option typically costs you more.

When does my coverage under the student health plan end?

You’ll get benefits as long as the Master Policy is active with Emory University and you are in an eligible class. You’ll also need to be sure your premiums are paid. No benefits are payable for expenses incurred after the date the insurance terminates, except as may be provided under the Extension of Benefits provision described in this guide. To review coverage periods, premium rates and any applicable deadlines, please refer to the Plan Design and Benefits Summary.

Know when your coverage ends

Your student coverage will end when one of the following happens:

• The date the Plan year ends;
• The last day for which any required premium has been paid;
• The day you withdraw from school because you enter the armed forces for any country. Your premiums will be refunded on a prorated basis within 90 days of the date you withdraw;
• The date you are no longer in an eligible class (e.g., after graduation, drop in full-time credit status, etc). Please refer to the
Plan Design and Benefit Summary for more information about eligible individuals under the Plan.

If you withdraw from school for any reason other than joining the armed forces, Aetna won’t refund your premium. Instead, you’ll continue to be insured until your coverage period runs out for which premium has been paid. You will be insured for the coverage period for which you are enrolled, and for which premium has been paid. Please refer to the Plan Design and Benefits Summary for more information regarding eligibility, coverage dates, premium rates and applicable deadlines.

Know when your dependent’s coverage ends

Your dependent’s coverage will end when your coverage ends.

Before then, your dependent’s coverage will end:

(a) For your child, on the last day of the coverage period following your child’s 26th birthday;

(b) The date you fail to pay any required premium;

(c) For your spouse, the date your marriage ends in divorce or annulment;

(d) The date the dependent coverage is no longer offered under the Plan;

(e) For your domestic partner, the earlier to occur of:
   • The date this Plan no longer allows coverage for domestic partners, and
   • The date your domestic partnership ends. In that event, a completed and signed declaration of Termination of Domestic Partnership must be provided to Emory University.

If your Plan coverage ends early for any reason, it won’t affect any claims made before the coverage ends.

Important information regarding incapacitated dependent children:

Your disabled dependent children may be able to have their insurance coverage extended past the age when coverage would regularly end. The dependent child must mostly rely on you for support and be unable to take care of themselves because of mental or physical handicap.

You’ll need to send us proof of the child’s disability and inability to care for themselves. You have 31 days after the date that the coverage would normally end. Your child will be considered a covered dependent, so long as you submit proof to Aetna each year that the child remains physically or mentally unable to earn his/her own living. The premium due for the child’s insurance will be the same as for a child who is not so incapacitated.

The child’s insurance will end on the earlier of:

(a) The date specified under the provision entitled Termination of Dependent Coverage found in the Master Policy, or

(b) The date the child is no longer disabled and dependent on you for support.

Important note regarding coverage for a newborn infant or newly adopted child:

A child born to an individual enrolled for coverage in the Plan shall be covered for 31 days after birth. At the end of this 31 day period, coverage will cease under the Plan. To extend coverage for a newborn beyond 31 days, you must: 1) enroll the child within 31 days of birth, and 2) pay the additional premium, starting from the date of birth. If your coverage ends during this 31 day period after the newborn’s birth, the newborn’s coverage will end on the same day as your coverage ends. This applies even if the 31 day period has not expired.

Coverage is provided for a child legally placed for adoption with you from the moment of placement, for an initial period of 31 days, provided the child lives in your household, and is dependent upon you for support. To extend coverage for your adopted child past the 31 days, you must: 1) enroll the child within 31 days of placement of such child; and 2) pay any additional premium, if necessary, starting from the date of placement. If your coverage ends during this 31 day period after the adopted child’s placement, the adopted child’s coverage will end on the same day as your coverage ends. This applies even if the 31 day period has not expired.

If you need information or have general questions on dependent enrollment, call Member Services at 877-261-8403.

Important provisions of the student health plan

State mandated benefits

Aetna will pay benefits in accordance with applicable Georgia State Insurance Law(s).

Recession of coverage

Aetna may rescind your coverage if you, or the person seeking coverage on your behalf:

• Performs an act, practice or omission that constitutes fraud; or
• Makes an intentional misrepresentation of material fact.

You will be given 30 days advance written notice of any rescission of coverage.

As to medical, pediatric dental, pediatric vision care, and prescription drug coverage only you have the right to an internal appeal with Aetna and/or the right to a third party review conducted by an independent External Review Organization if your coverage under the Policy is rescinded retroactive to its Effective Date.

Recovery of overpayment

If Aetna pays more than the benefit amount based on the guidelines of the contract with your school, Aetna has the right:

• to require the return of the overpayment on request;
• to reduce by the amount of the overpayment, any future benefit payment made to or on behalf of you or another person in your family.
Such right does not affect any other right of recovery Aetna may have with respect to such overpayment.

Right of Recovery
As used herein, the term “Third Party”, means any party that is, or may be, or is claimed to be responsible for injuries or illness to a Covered Person. Such injuries or illness are referred to as “Third Party Injuries.” “Third Party” includes any party responsible for payment of expenses associated with the care of treatment of Third Party injuries.

If the Covered Person has a claim for damages or a right to recover damages from a Third Party or parties for an illness or injury for which benefits are payable under this plan, Aetna may have a right for recovery. Aetna’s right of recovery shall be limited to the recovery of any benefits paid for identical Covered Medical Expenses under this Plan, but shall not include non-medical items. Money received for future medical care or pain and suffering may not be recovered. Aetna’s right of recovery may include compromise settlements. The Covered Person’s attorney must inform Aetna of any legal action or settlement agreement at least ten days prior to settlement or trial. Aetna will then notify the Covered Person of the amount it seeks to recover for covered benefits paid. Aetna’s recovery may be reduced by the pro-rata share of the Covered Person’s attorney’s fees and expenses of litigation.

Extension of Benefits
If you are confined to a hospital or under treatment for a covered condition on the date your insurance terminates, expenses incurred during the continuation of that hospital confinement or for the treatment of the covered condition that caused the hospital confinement, shall be considered Covered Medical Expenses. Covered Medical expenses will be payable in accordance with the Master Policy, during the 31 day period following such termination of insurance.

If Basic Sickness Expense coverage for a covered person ends while he is totally disabled; benefits will continue to be available for expenses incurred for that covered person; only while the covered person continues to be totally disabled. Benefits will end 12 months from the date coverage ends.

Coordination of Benefits
A Coordination of Benefits (COB) provision applies to the Plan when you or your covered dependent have medical and/or dental coverage under more than one Plan.

The Order of Benefit Determination Rules determines which plan will pay as the primary plan. The primary plan pays first; without regard to the possibility that another plan may cover some expenses. A secondary plan pays after the primary plan; and may reduce the benefits it pays; so that payments from all group plans do not exceed 100% of the total allowable expense. For more information about the Coordination of Benefits procedure, including the Order of Benefits Determination Rules, you may call the Member Services telephone number shown on your ID card. A complete description of the Coordination of Benefits procedure is contained in the Master Policy issued to Emory University, and may be viewed online at www.aetnastudenthealth.com.

Claim Procedure
On occasion, the claims investigation process will require additional information in order to properly settle the claim. Aetna will handle this review.

Member Services Representatives are available 8:30 a.m. to 5:30 p.m. EST, Monday through Friday, for any questions by calling 877-261-8403.

You can send claims to:
Aetna Student Health
PO Box 981106
El Paso, TX 79998

A few things to keep in mind:
1. Bills must be submitted within 90 days from the date of service;
2. Payment for Covered Medical Expenses will be made directly to the hospital or provider you visited, unless bill receipts and proof of payment are submitted;
3. If you have itemized medical bills, submit them with the Aetna Medical claim form. Subsequent medical bills should be mailed promptly to the above address;
4. You will receive an “Explanation of Benefits” when your claims are processed. The Explanation of Benefits will explain how your claim was processed, according to the benefits of your Plan.

When you fill a covered prescription, present your ID card to a Preferred Pharmacy along with any Copay and/or Deductible. The pharmacy will bill Aetna for the cost of the drug plus a dispensing fee. They’ll subtract the Copay and/or the Deductible amount from the total.

When you need to fill a prescription and do not have your ID card with you, you can still get your prescription and be reimbursed by submitting a completed Aetna Prescription Drug claim form. You’ll be reimbursed for covered medications, minus any applicable Copay and/or Deductible amount. You can refer to the Plan Design and Benefits Summary to find out more about the benefits for prescription drugs.

Financial Sanctions Exclusions
If coverage provided by any insurance policy or administrative services agreement violates or will violate any economic or trade sanctions, the coverage is immediately considered invalid. For example, Aetna companies cannot make payments for health care or other claims or services if it violates a financial sanction regulation. This includes sanctions related to a blocked person or a country under sanction by the United States, unless permitted under a written Office of Foreign Asset Control (OFAC) license. For more information, visit http://www.treasury.gov/resource-center/sanctions/Pages/default.aspx.
Complaints and Appeals

If you are dissatisfied with the service you receive from the Plan or you want to complain about a network care provider, you may call the Member Services telephone number shown on your ID card or write to Aetna at:

Aetna Life Insurance Company
Appeals Resolution Team
PO Box 14464
Lexington, KY 40512

The complaint must include a detailed description of the matter and include copies of any records or documents that you think are relevant to the matter. You may submit an appeal if Aetna gives notice of an adverse benefit determination. A final adverse benefit determination notice may also provide an option to request an External Review (if available).

For more information about the Complaints and Appeals Procedure or External Review processes, you may call the Member Services telephone number shown on your ID card. A complete description of the Complaints and Appeals Procedure and External Review processes are contained in the Master Policy issued to Emory University, and may be viewed online at www.aetnastudenthealth.com.
