

Emory University
2017-2018 Emory University Continuation Enrollment Form
for Medical Students and Two Year MBA Students and Dependents
In order to enroll you must complete steps 1 through 5.

4. Notice to student (signature required)

Students presently enrolled in the Emory Student Insurance Plan are eligible to continue their coverage by enrolling in the Emory Continuation Plan. This Continuation Plan is only available to insured students who lose their eligibility for the Emory Student Health Insurance Plan through graduation or otherwise leaving school. This Plan will be available to terminating students and eligible dependents as long as they were enrolled in Emory Student Health Insurance Plan for the previous academic term. Newborn children born after the termination date of the 2017/2018 Plan are not eligible for Continuation Coverage. Students eligible for the 2018/2019 Emory Student Health Insurance Plan are not eligible to purchase this Continuation Option. **To enroll, complete the enrollment form and remit the appropriate premium prior to the stated deadline date. Coverage will be in effect the day after the termination date of your Emory Student Health Insurance to insure continuous coverage. Application and premium received after deadline date will not be accepted and premium will be refunded.**

Coverage may be purchased for a three (3) month Period of Coverage. The period of coverage must be selected, and the total premium must be paid, at the time of enrollment. **The Emory University Student Health Insurance Policy is not renewable. However, you may re-enroll for the next policy year if you are eligible at that time. All enrollments are final. Once an application has been received, coverage cannot be cancelled and no refunds are available. Once an election of coverage is made, a later application requesting an increase or a decrease of the initially elected coverage period will not be processed, even if received prior to the deadline.**

ELIGIBILITY FOR CARE AT EMORY STUDENT HEALTH SERVICES

Students who graduated from Emory University are allowed to receive care at Student Health Services on a fee-for-service basis. Therefore, eligibility for care is as follows:

Graduated May 2018 (NOT enrolled during Summer or returning in the fall), eligibility ends May 17, 2018
 Graduated May or August 2018 (but remain enrolled during Summer), eligibility ends August 14, 2018

Students who purchase the Continuation Plan for a period of time that exceeds their eligibility at Student Health Services should receive their primary care at another Emory Core or Aetna PPO primary care provider. A referral is not necessary to receive this care.
