Quality Assurance/Total Quality Improvement Program

In 2006-07, the EUSHS Quality Assurance/Total Quality Improvement Program continued to be actively engaged in ongoing monitoring of patient care and administrative activities, patient satisfaction, patient outcomes and utilization issues. QA/TQI activities in 2006-07 included:

- Laboratory Proficiency Testing, provider/nurse training and competency testing, and ongoing quality control activities
- Quarterly Peer Reviews for nurses, nurse practitioners, clinical providers, psychiatrists, counselors and nutritionists
- Biannual Town Hall Meetings and biweekly Core Group Meetings
- QA Follow-up Study on the Use of Office Spirometry for the Diagnosis and Management of Asthma, October 2006
- First (M1) and Second (M2) Year Medical Student Patient Satisfaction Survey, Follow-up Study, Fall 2006
- Patient Satisfaction Survey, October 2006
- Evaluation of the National College Health Assessment Emory Survey, Spring 2006
- HIPAA Information Technology Risk Assessment, December 2006
- Health and Nutrition Outreach to the Candler School of Theology: An Assessment, Spring 2007
- QA Study on the Screening for Eating Disorders in Primary Care Student Health Setting, April 2007
- Campus Life Learning Outcomes Assessment, Student Health and Health Education and Promotion, spring 2007
- Benchmarking Survey: The American College Health Association Pap Smear and STI Study
